DETAILS REGARDING HOTEL BOOKING IN VIENNA

Vienna is a popular convention and conference location, so there are always several events happening at the same time! Often the desired hotel or the desired location is no longer available. We therefore advise early booking. Just before the conference, there will be hardly any rooms left available at the special rates mentioned below.

The venue, WU Vienna University of Economics and Business, is located on the underground (line U2). You can easily reach the WU from all hotels in U2 proximity. The lines U1, U3 and U4 have an intersection with the U2, with which you also reach the WU quickly, with a single change (see [map-1](#)).
