

EM STRASBOURG IS RECRUITING

Each year, to support its ongoing development, EM Strasbourg Business School creates additional positions.

In September 2019, 5 junior contract lecturer/associate professor positions and 2 senior contract lecturer/associate professor positions will be available in Management Science.

Expertise in one of the following areas would be an asset:

- **Junior Profile:** Accounting/Control/Finance or Marketing/Digital Marketing or Strategy/Entrepreneurship.
- **Senior Profile:** Strategy/Entrepreneurship/Innovation or Accounting/Control/Finance or Marketing (5 years of experience in a lecturer/associate professor or researcher position).

By joining us, you will be choosing a business school that places research at the forefront by virtue of its two prominent research laboratories, Humanis and Large, specialized in Management and Finance, respectively.

At EM Strasbourg, academic freedom is strictly observed and guaranteed for academic staff thanks to flexible work schedules, pedagogical freedom and an everyday environment oriented towards research.

Moreover, affiliated with the University of Strasbourg, our business school offers a particularly conducive environment for the development of interdisciplinary research.

Situated in the heart of Strasbourg, a European, student and cultural capital and city of humanistic traditions committed to innovation and respect for the environment, EM Strasbourg also promises an exceptional working environment.

YOUR RESPONSIBILITIES

Teaching

- Full-time, part-time and cooperative education to French and foreign students
- 128 teaching hours per year. Possibility of additional hours

Research

- Active participation in research activities as a member of one of the two Research Laboratories, Humanis or Large
- Merit awards for publications)

Other activities
