

«A place where knowledge is created» - As one of Europe's leading universities of economics and business administration, the University of St.Gallen (HSG) in Switzerland, is committed to the education of over 8'000 students and provides an attractive and innovative environment for research.

The St.Gallen Institute of Management in Asia connects thought leaders in Asia and Europe. Its newly created research group for entrepreneurship seeks to strengthen its team with a

Research Associate in Entrepreneurship (PhD Candidate Position)

at its **Singapore office** per February 1st, 2021 or mutual agreement.

You have a master's degree in management or a related area and ideally initial academic or practical experience. You enjoy learning and acting entrepreneurially and are excited about living in Asia. You will enroll into the PhD-program in management at the University of St.Gallen. The language of instruction is English. The position is based in Singapore and includes time for PhD-coursework in Switzerland.

You are looking forward to the following responsibilities:

- Collaborating in a small and fast-paced multicultural team to further strengthen the University's presence in Asia
- Contributing with creative ideas and methodological rigor to high quality research in entrepreneurship (ideally in entrepreneurial decision making)
- Supporting the institute's top-level teaching and practice-linked project initiatives in Asia

The University of St.Gallen concentrates Asia-related academic activities in Singapore at its St.Gallen Institute of Management in Asia (SGI-HSG). For further information about the institute, our team, and affiliated academics, please see: www.singapore.unisg.ch

Applications should include a motivation letter, a transcript of grades and a detailed CV in one pdf file. **Applications or questions should be submitted electronically by September 30th, 2020 to singapore@unisg.ch**
