

## FGF Spring Meeting February 23 & 24, 2023 Hochschule Hannover

Dear members of the FGF working groups Social Entrepreneurship & Sustainable Entrepreneurship,

We are looking forward to welcoming you in Hannover next year in spring. Currently, we are in the planning phase and are thinking about which guests we would like to invite and which (possibly new) formats we would like to include. If you have any ideas and/or wishes, we look forward to hearing about them.

Thematically, we will address all topics of Social and Sustainable Entrepreneurship in research and share insights from Entrepreneurship teaching and practice. As in previous years, we are happy to organize the social program, but would like to ask members to arrange their own accommodation – recommendations can be found below. In addition, we ask for self-payment of dinners while we will organize coffee and tea supply as well as lunch on Thursday.

We are looking forward to an exciting exchange in the working groups!

Kind regards,  
Nicole Siebold, Steffen Farny, and Christian Lehmann
