„Entrepreneurship Research Newcomer Award 2023“ (Founder: Stiftung für die Wissenschaft der Sparkassen-Finanzgruppe)

The “[Stiftung für die Wissenschaft](#)” supports the G-Forum 2023 junior researchers and donates the prize money of 1,000 Euro for the "Best Entrepreneurship Research Newcomer Award 2023", which will be awarded during the 26th Annual Interdisciplinary Conference on Entrepreneurship and Innovation, September 27th to 29th, 2023 in Darmstadt (Germany).

Eligible are all authors (graduate students, postdoctoral students and junior professors) who submit a full paper proposal (30 pages + literature notes) until May 10th 2023 (**extended submission deadline May 31st, 2023**) for the G-Forum in Darmstadt.

The award-winners will be determined in a two-step selection process. In the first stage, the results of the double-blind review process will be considered.

Selection criteria for scientific contribution proposals are:

- Use / relevance for entrepreneurship research and practice
- Conceptual strength
- Methodology
- Originality / novelty
- Comprehensibility

In the second stage, the authors (individual authors or team) of the three best works of this review process are nominated for the “Best Entrepreneurship Research Newcomer Award 2023”. Out of these nominated works the award-winner will be selected by a three-member jury (two scientists and representatives of the founder).

Submission guidelines:

- Your full paper should be submitted as a single PDF-document until May 10th 2023 (**extended submission deadline May 31st, 2023**) at our [G-Forum conference-tool](#).
- Please send your full paper submission without the author's name (blind manuscript) and a manuscript with the author's name on the title page. Entries can be submitted in German or English. We will inform the authors at the end of July 2023 about the acceptance of their proposals.
