

FGF Spring Meeting March 21 & 22, 2024 TU Dortmund

Dear members of the FGF Working Groups Social Entrepreneurship & Sustainable Entrepreneurship,

We are looking forward to welcoming you to Dortmund next spring. Currently, we are in the planning phase and are considering which guests to invite and which (possibly new) formats to include. If you have any ideas and/or wishes, we would love to hear from you.

In terms of topics, we will cover all aspects of Social and Sustainable Entrepreneurship in research and share insights from Entrepreneurship teaching and practice. As in previous years, we are happy to organize the social program but kindly request that members arrange their own accommodation. Additionally, we ask for self-payment for dinners, while we will take care of providing coffee and tea during the workshop days.

We are looking forward to an exciting exchange in the Working Groups!

Kind regards,
Nicole Siebold, Steffen Farny, and Daniela Gimenez
