

FGF Spring Meeting March 12-14, 2025 Berliner Hochschule für Technik

Dear Members of the FGF Working Groups Social & Sustainable Entrepreneurship,

We are thrilled to welcome you to Berlin next spring!

Our program promises a rich array of topics, delving into multiple aspects of Social and Sustainable Entrepreneurship, enriched with insights from research, teaching, and practical experiences in the field. This year, we are excited to introduce a new Junior Scholars Workshop on Wednesday afternoon, followed by the popular Paper Development Workshops and Research Exchanges on Thursday and Friday. Hosted by Prof. Dr. Yasmin Olteanu and Michael Wunsch from the Berliner Hochschule für Technik, we will continue the tradition of offering a social program complemented by coffee and tea throughout the workshop days. However, we kindly ask that participants arrange their own accommodation and cover the cost of the group dinners we have organized.

Our program will conclude on Friday at 13:00. For those interested in Social Entrepreneurship Education, we invite you to join "Future See," a special event organized by Prof. Dr. Britta Gossel and Dr. Mona Mirtsch from Eberswalde University for Sustainable Development, after our FGF Spring meeting from 13:00 to 18:00.

We look forward to an inspiring exchange with each of you and creating an event that reflects the vibrant spirit of our community.

Kind regards,
Yasmin Olteanu, Michael Wunsch, Steffen Farny, and Nicole Siebold
