

FGF Spring Meeting on March 17-19, 2027 University of Bayreuth

Dear members of the FGF Working Groups Social & Sustainable Entrepreneurship,

We are very pleased to invite you to Bayreuth for our Spring Meeting in 2027!

Our program covers a broad range of topics across Social and Sustainable Entrepreneurship, bringing together perspectives from research, teaching, and practice. We will begin on Wednesday at 3:00 PM with a workshop, followed by our well-loved Paper Development Workshops (PDWs) on Thursday and Friday, including a keynote by Prof. Dr. Ute Stephan (King's College London).

The meeting will be hosted by Prof. Dr. Eva Jakob from the University of Bayreuth, and we will continue our tradition of offering a social program alongside coffee and tea throughout the workshop days. Please note that participants are kindly asked to arrange their own accommodation and cover the cost of the group dinners we will organize.

As in previous years, the program will conclude on Friday at 12:00 PM. For those with an interest in Social Entrepreneurship Education, we would be glad to have you join "FutureSEE," a special event organized by Prof. Dr. Britta Gossel and Dr. Mona Mirtsch from Eberswalde University for Sustainable Development.

We look forward to an inspiring exchange with all of you and to creating an event that reflects the collegial spirit of our community.

Kind regards,

Nicole Siebold, Steffen Farny, and Eva Jakob
